Bulletin

To the Members and Officers of MATMANIA

Dear Friends and Co-Nuts:

We would like to take a very early opportunity to thank each and every person for the support given to me during this last three month period. I did not deserve it and know it well. I heartiyly would like to thank each and every one of you.

I would like to also welcome all the new members received during that time. I will do all in my power to ensure a happy and successful year wrestling-wise to all of you, and to the members who re-joined during that period. Welcome aboard, and I hope and trust you like and enjoy our work.

Please forgive my delays in answering mail; neither time nor my health would allow me to do so. I seldom had stronth to do anything except cash the checks received. Once again, tho, I WILL make it up to you. Thank you.

Uncle Burt

In each issue of MATMANIA we attempt to r to the men of the United States and Canada on basis of skill and ability in the ring. These ratings tend to reflect the abiility of men both in Japan and Australia, as well as Europe and England. Our system is unique, so word of explanation will be necesary. Each of our officers send to me thier ideas of the top 25 or 30 men in the areas mentioned. Using a reverse point system, that is 30 for number one, 29 for 2 and so forth, we arrive at our final figures.

This past month, there were 19 such lists submitted, with three men being listed on 17 of them. There were a total of 73 different men mentioned on the various lists. 24 men were listed on only one list.

Below, then, are our ideas of the 30 best men in America. Behind each is the totel number of points received and the number of lists on which mentioned. There w were a total of 446 possible points.

1. Gene Kiniski (413 points; 17 lists)
2. Fritz Von Erich (382 points, 17 lists)
3. Dick Afflis (343, 16)
4. Bruno Sammartino (337, 16)

****

Since our last ratings in the November issue, there have been several changes. Only one person dropped out during that time: Tim Woods. Added are Ops, Don Leo Jonothan also dropped out. Added are Wldo Von Erich, Eddie Graham, Danny Hodge, Karl Kox and Hiro Matsuda. This marks the first time ever for Kox, Matsuda and Hodge. At that, we had to sink awfully low in piints to get down to their limits.

Many of the lists on which these ratings are based are over three months old, so do not completely reflect the complete wrestling picture of this day and age. Like a lot has happened, chiefly being the title changes in Minneapolis and Los Angeles, the arrivals of several new top stars to our shores, and the emergences of others in our own areas. In the April issue, we hope to have a far more up-to-date ratings list. Thanx.

Who is the World's most perfect wrestler? On basis of wins and looses, who has the best and greatest record against the top men? To find out, I compiled all the results of the months of October and November in which one man went against another in single matches. On basis of the won and lost records involved, we can then determine, on the basis of wins and losses, who is the best and greatest of them all.

Only three men, make that eight, went thru the period involved without losing a match. They are Spiros Arion, Kintaro Oki, Greg Peterson, the Pittsburgh Batman, F Fred Curry, Gorgeous George Jr, Gene Kiniski and Mark Lewin. Of that group, only two, Arion and George, had no draws. George and Kiniski had the most wins, 13 each, of the group mentioned. Kiniski faced 12 different men, winning 13 and drawing twice George faced nine men, and won them all. Arion was against five men and won them all. A brief run down: behind each name will be wins, losses, and draws.

Arion 10 wins, no losses, no draws
Kintaro Oki, 9 wins, 0 losses, 2 draws
Peterson, 4 wins, 0 losses, 9 draws
Batman, 10 wins, 0 losses, 1 draw
Curry, 10 wins, 0 losses, 3 draws, 1 no contest match
Geroge, 13 wins, 0 losses, o draws
Kiniski, 13 wins, 0 draws, 2 draws. That is)O losses
Lowin, 11 wins, 0 losses, 0 draws, 1 no contest.

Eleven men had but one loss. They are Danny Hodge, Hiro Matsuda, Lou Thesz, Tim Woods, Bearcat Wright, Pat OOConnor, Ricky Romero, The Shriek, Don DeNucci, Mister Kleen, and Ron Reed.

The other end of the scale is those men who had no wins during the period covered. They are: Frank Hickey with 13 losses and now wins or draws; Johnny Heideman with 12 losses and no wins or draws; Kenny Jay, also 12 losses and no draws; Frank Marconi 10 losses, no draws; Frank Gonzalez, 21 losses, no draws; Tomas Marin 17 losses no draws; Steve Stanlee 13 losses no draws; Nick Adams 9 losses and one draw.

Several others came close to this no win area. Carlos Colon had one win and 11 losses; Paul De Gaulles one win and 21 losses. George Gadaski 1 win 15 losses. Luke Graham, one win, 15 losses, 3 draws, and one no contest; Karl Karlson, one win, 12 losses; Ree McNulty, one win, 12 losses and one draw. Jerry oops, Dan Miller, one win, nine losses; Stan Pulaski, one win, 8 losses, two draws; Panoho Rosario, one win, 10 losses, three draws; Pete Sanchez, one win, 12 losses; Ken Yates, one win, 12 losses; Alexander the Great, one win, 17 losses, 4 draws;.

The man with the most wins was Killer Kowalski; he had 27 wins 2 losses, one draw and one no contest. Close to him was John Tolos with 21 wins, five losses, five draws and one no contest. Jerry Miller had the most losses: 26; he had 4 wins and three draws. Close was Roberto Gonzalez and Paul De Gaulles, with 21 losses each.

Who is the World's Most Perfect wrestler? On basis of wins and losses, it would be either Spiros Arion or Gorgeous George. George had the most wins against no losses (13) so he would be the man getting the honor this month.

For this record, we took only those men on whom we had ten or more verdicts. It is interesting how many did not meet this requirement. Only 152 had ten or more on his record. There were a total of 719 men involved. This included the results on my files from Australia, Japan, the States, Canada, and England.

It is impossibly to judge the men on this basis, as it gives no clue as the the quality of the men they have been facing. In the April issue of MATMANIA, we will include the won/loss record of each of the above men; in this way, we can better judge as to who is REALLY the Most Perfect.

Our thanks to the many people who assist us in gathering the results of the Lone Star state. Mainly Opal Mae Ronspies, Charlotte Irvine, Earl Elder, and Tommy Hogans We luvs ya ever so.

The additions of Mario Milano and Tojo Yamamoto make this area real hot. Both are good, young men and have bright futures ahead of them. Th next issue of YOU K KNOW WHAT will have an article on Tojo. Also on Akobar. Tis also good to see the name of Dick Raines in print. A good man still, he was one of the greats of all time. I can't overlook the addition of Jim Bernard to the area. He is a wild, great wrestler and will add muchly to the area. Just don't call him " curly".

Two of my favourite wrestlers happen to be Al Costello and Kinji Shibuya. Tis almost worth it to move to Texas to see the two of them on the same night. And against each other !!!!!! I would go out of my over-loving mind. Add in the ole Bulldog, Danny Plochas, and you have three of the real great ones. Did I ever tell any of you about the time that Bud Curtis, Danny Plochas, Frank Jares and Hans Schmable had a beauty contest? Twas doclared a no contest.

Our thanks, now and always, to the people who help us collect the results from this area. Notably, Diane Devine, Opal Mae Ronspiez of the Danny Hodge fan club, and Charlotte Irvine. We luvs ya all.

This area is really looking up of late. With the arrival of Calhoun, London, Dunn, Garrett, Higgins, Akabar, Marvin, and the Daltons, they have some of the best men around. Added to this group are the regulars; men like Clancy, Kozak, Hodge, Manousos, Bradly, Lovelock, McKimm and so forth. This group is as exciting as any around the country. Our congrats to the promoters and to the fans for seeing some good, exciting wrestling.

Sometime after the above, Jack Brisco beat Danny Hodge for the title. Hope-fully, we will the date and place later in the bulletin. The title inquestion is the Junior Heavyweight title. More later.

The arrivals of Maynard, Gordon, Vic Rivera, Rood, Orton, the Pear and later the Plum, make this area continue to prosper. Among them, they include some good, wild men and that always helps. Maynard and Rivera, especially, as they have long bright futures ahead of them.

Our thanks now as always to the people who help us collect these results. Notably our right hand, Diane Devine. She is a doll and we would be lost without her. We luvs ya, Diane.

Someone, somewhere along the line is going to get mad at me for running two pages of results from one area at one time. That someone will be a promoter, and he will say something along the lines of "The fans won't want to come out to our matches if you let them know that they see the same thing week after week after week after week."

In the period covered herein, the souther half of the AWA, around Omaha, has had several new faces come in. Among them are Francis St. Clair from England, Bobby Orton on a return visit,, and a little later, Paul Vachon, Bobby Shane, Art Thomas and many other top stars. Plus they have regular visits from the men both from the north of them from Minneapolis and from the south, from Kansas City. In short, the fans see a good variety of wrestlers, and they always are willing to come to the matches and do so in droves.

Meanwhile, the Minneapolis area is down in wrestling attendance. The fans there have not been supporting the box office as much lately. Why? They have had several new wrestlers come into the area also: Nick Adams, Kenny Jay, Santiago Acosta, Porfirio Lenorio, Pete Peterson, Bob Boyer, Jose Quintero, Mike Murlowski,, Paul Caruso and so forth. Not one top notch, new talent in over four months. It makes me sick to my stomach.

****

I feel sorry for the fans of an area in which the promoter gets stagnant like that. He is usually the first to complain about the non-support, too. Oh well, back to the old drawing board.

Our thanks to Jim Melby, Norm Kietzer and all the others who help us collect the above results. Even if they are dull reading the same thing for four stright months, we appreciate your help. Actually, we luvs ya as we luvs all of our widdle nieces and nefews. Uncle Bert just luvs everybody. He so nice.

2, Denys Douville of 2199 de la Canardiere would like to hear from any and all fans of of Montreal wrestling. I forgot to mention his city. Quebec City 3, Quebec, Can
3, Julie Nolan of 510 Louisiana St. Longview, Texas. 75602 would like to hear from all fans of the Assassins.
4, Johnny Pearson of Route 3. Pelzer, S.C. would like a pen pal in either Canda or Australia. His favourites are Assassins and the Scott Bros.
5, Terry Teagardon of Box 145. Oak Harbor, Ohio. 43449 would like pen pals liking Bobo Brazil, Jerry Graham, Johnny Powers, Mark Lewin, and Bill Miller.

I have not done so yet this issue, so will do it now. As always, I need old results. As time goes by, we will be doing many life histories of the greats of today and yesterday. It is impossible to do these without the material at hand. Among others, we will be doing the histories of Buddy Rogers, Freddie Blassie, Bobby Orton Bill Miller, Gorgeous George, and many others. Please, if you have access to a library or old newspaper files thru any other source, we would appreciate your assistance on this. Let me know, and I will send you any further info that you may need.

As it stands now, we will be doing the life history of Rogers in the May issue. Along with as many pictures on him as possible. Also articles on him and his major engagements over the years. This will not be our anniversary issue as originally anticipated, but we will still do as good a job and as complete a job as possible. He deserves the BEST.

With the addition of Chris Tolos joining brother John, this area now has one of the best, the wildest tag team combos in the history of the game. Other new arrivals such as Jack Bonco, Cannon, Jungle Jim Starr, Sandy Barr, Popper Martin and Rocky Johnson are all top notchers and all will be welcome in the land of the Big Timber.

Our thanks to Dean Silverstone, Rex Faces, Rae Fryo, and John Tinkham for their assastance in gathering these results. They have some of the best wrestling in the world in this area, and it behooves us to get on all. Many grasses.

I can't rember what I was going to say now, but it was one of the best ever, Believe me. If I think of what it was later, I'll include it. I do know that I forget to mention the arrival of Don DeNucci into the San Francisco area. He is a good one and will go over well there. The big Italian will be a quick favourite with the Bay City.

Watch Wrestling Revue for an upcoming article on Bob Sweetan. He is a great, young wrestler. Soon, man, soon.

THE BROTHERS SAADE' EL MANSOUR

"Oh yes, I see almost all of their matches," said the little old lady standing between the two giants of the ring, The Shiek and The Emir Mansour This lady was their mother, and she spoke politely and proudly of her sons. " I saw their first match," she said. "at home. They were 13 years old for Andre' (The Shiek) and 11½ for Jhon (The Emir). They made a ring from their beds and they were trying real wrestling holds on each other, and not just fighting. When their Dad come home from his work, I told him about it. Instead of punishing them, he encouraged them by sending them to the gymnasium every day after school to work out. Thus, they started their brilliant career at 14 and 12 years old."

Andre came in to continue the conversation as he told me about their first amateur contests. Back in 1957, Jhon got the gold medal in the Olympic games of the Middle East and all Arab countries and Andre got the Silver one, denoting first and second place, respectively. In 1959 in the Mediteranean games, they again took the first two places. In the same year they also won two amateur tounaments held in Turkey and Egypt.

Jhon, The Emir, is the youngest; while they look like twins. He proposed to his brother to go to Europe. H told me "We felt good enough to go into the professional wrestling and beat some of the European so called champions."

"It was not easy to enter the rings there; we want first to France," said Andre. "We made contact with the Director of the French Federation, the famous Alex Goldstein. It was no question to begin just like, so we were taken to an ex-champion, Albert Ben Chemoul for testing and training. We beat his boys very fast in the gymnasium and in less than two months, we were ready for our first match as professionals. It was a main event in the Cirque D'Hiver in Paris. It was a tag team match against two veterans in the field, Paul De Bunnes and Pierre Bernaert. We beat them in two stright falls. They were two well known villians while we were strangers, so the French wrestling fan enjoyed our good, fair fight and cheered us like never before in our amateur matches."

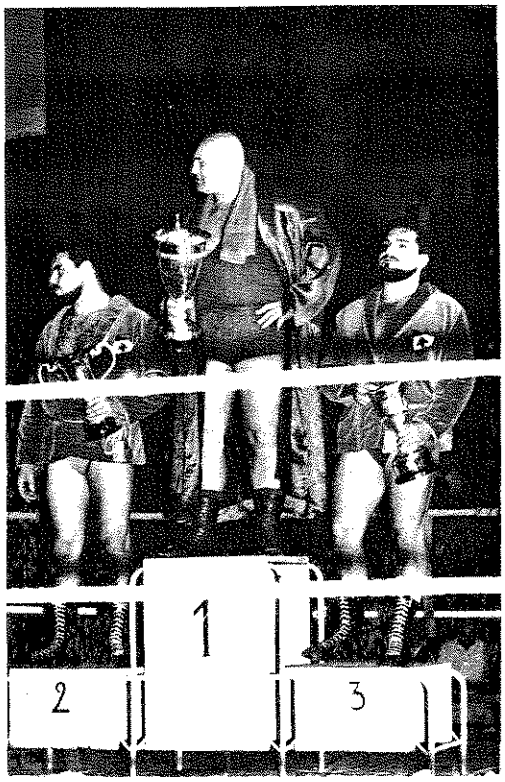
"Our confidence in ourselves grew bigger with each match. My first match as a single," said Jhon, "was against a giant named Georges Gueret. I can not tell you how happy I was when I beat him."

Andre on the left, Jhon, the right

"Please tell me what your favourite holds are, and where you have wrestled," I said.

Jhon, who is always smiling, has a nice baby face. The 24 year old mat star said, "My favourite hold is the suplex hold and without any modesty, I can tell you that I am the master and the King of this hold. I have beaten some guys with it who have outweighed my by a hundred pounds. My brother also

prefers this suplex hold."



1, Josef Kovacs, 2, Andre, 3, Jhon.

Andre took over the conversation and said "we traveled all over Europe. We were in Italy, Spain, Germany, Belgium, Switerzalnd, and we entered the rings of London under the promotion of Dale/Martin."

"Just a minute, please, Brother," said Jhon. "I'd like to tell that besides my rough matches against Josef Kovacs here in Lebanon, I have had one terrific and bloody match against a top star in England, Bruno Elrington. The match was a draw. It was stopped by the referee after we had both bled a lot from cuts on our head."

"We have faced the top stars all over Europe," continued Andre. " Men like Elrington, Ribor Szakacs, Josef Zaranoff, Hans and Eric Muller, Angelo Guisto, Gilles Fouanier, Bruno Asquini, Andre Drall, Jimmy Dula, Bobby Duranton, Ted Lamarr, M'Boa, Gilbert Cesca, Johnny Yearsley, Karl Von Kramer, Hans Mortier, Prince Kumali, Horst Hoffman, Dennis Mitchell, and many, many others."

"The best moment of our life," continued Andre, "was when we took the championship belt of the tag teams of all Europe and held it from 1964 through 1965. We did not lose it; we let it down when summer came so that we could come back to Beirut as we have done every year since 1962. Here to our fans and loyal public, and to our tournaments of July and October, and to make our annual trip to other Arabic countries like Kowiet and Bahrien."

These two brothers are going back this year to Europe to regain "their" belts.

"Jhon," I said. "Why don't you go to the U.S.A?"

"We are planning a trip there," said Andre, "but we would like to have a well known promoter for our trip. We are promoting our matches here in Lebanon, so we know what a good promoter can do."

"Hasanything funny happened to you during your wrestling career?" I asked.

"Oh a lot," said Jhon. "I was supposed to wrestle in Paris one night against Hans Muller, and I did not feel too well, so my brother took my place. Nobody noticed the change; not eveh the promoter, the referee or the announcer. Many times our barber was confused."

I said good-bye and good luck to these two kind men and went on my way hoping that soon American fans canhave the opportunity of watching them in action in the rings of the U.S.A.

It is difficult to assess the wrestling of Great Britiain at this time on basis of the above results. Curtis Laukea has left there, and Nikita Mulkovitch arrived in his place. Others, such as Roy St. Clair and Earl Maynard left there to come to these shores. These movements I know from basis of the results presently on file, but do not know of others until I get more up to date. There will be more on the results and abilities of our men later in this issue.

Also in our next issue, we will cover much of the scene of the area from 1966. One of our bright young people from there sent me a letter of some 25 pages covering the scene for the full year. We will cover much of this in our next letter. Also will be brief articles on many of the new men such as the Pizzarro Brothers, Paco Pastor, Jose Marquess and others. In short, it will be about as complete a covering of the British wrestling scene as we have ever done. In short again, wait, kiddies wait.

****

We have mentioned this before and will do so again now. It is impossible to cover the wrestling scene from England without belonging to one particular club. This is the A to Z Wrestlers Supporters Club. The proxie, Brian A Dixon, puts out a bulletin that is the equal or the superior of any that I have ever seen anywhere and at any time. It is absolutely superb in every way. For details about joining, we included dues info in one of our columns in Revue. As I remember it, they are I don't remember. Sorry, kiddies. Look it up. January or February, I think. Brian's address is 31 Fountain Street. Higher Tranmere. Birkenhead, Chesire, England. It is an absolute must for any serious fan. My under-liner is still out.

I do not really feel that a comment from me is necessary. This area has been using many of the same men for some years now, with only a few changes among the top men. This area, above all others, I have to have the years mentioned on my cards, as a card in 1967 is basically the same as a card in 1964 or 63. The area, one of the most lucrative, now has few sell-outs, and is rapidly runing down hill. I CAN NOT IMAGINE WHY. Okay, so I made a comment after all. Now I wish that I had not.

****

Earlier in this bulletin, I mentioned the Ivan Kalmikoff fan club. At that time, I could not find the club address, but now I did. The president, Jerry Davidson, can be reached at 13577 Sprice Rd. Southgate, Mich. 48192. This is one of the best clubs now operating and is well worth joining. My under-liner is broke or I would under line that.

It was fun for a while. We have three members in this area. They have wrestling at least six times a week in this area, and in the period covered herein, namely four months, we only have the above results and lineups to report. Come on, kiddies, lets get those results.

In Scarpa, Bolkas, Montana, Gypsy Joe, and the Garvin Brothers, the area has some of the best wrestlrls in the business. Add in youngsters like Tony Zello, Louis Valonzuella and Paul Shusas, and they have as interesting a group as any anywhere. It behooves us to find out more about them all. OK?

****

I know that somewhere along this time, that Haystacks Muldoon and Johnny Rougeau made their debuts in the New England area. Also the possibility of Hans Schmidt. I also know that various of the men involved have appeared in the Montreal area. This includes Frank Scarpa appearing under his real name, Manuel Cortez. Also, possibly the Garvin Brothers and Bolkas. I also know that some of the men involved have appeared in Buddalo and other points in New York. Actually, the promoter in question, Tony Santos, does an excellent job of using his men, and continually draws well. We MUST have more news from this area and adjacent areas, to completely cover the wide world of wrestling. Kiddies, I dislike begging, but.....

****

Momma, what would you do if you had almost half a page to cover? How about drawing a picture of the average size of the brain of most promoters? That would take up a quarter of an inch of it, but what then? When in doubt, cover results. Tony Santos promotes in the follwing arenas on a weekly basis:

Monday at the Frost areana in Lawrence, Mass.
Tuesday at the Athletic Field in Manchester, N.H.
Wednesday at the Mountain Park, Holyoke, Mass.
Thursday at the Boston Arena in Boston, Mass.
Friday at Witschi's Arena in North Attleboro, Mass.
Saturday at the Palace Roller Rink, Old Orchard Beach, Maine.

In addition to the above, he promotes spots throughout the area. As said above, it is impossible to cover the sport completely without some help in this area. Men like Zello, Shusas, the Garvins, and others have long bright futures in front of them and without the results now, we can not fully appreciate their talents. Oh, go ahead and beg, Uncle Durt. Maybe it will do some good.

I should try to figure out some nice polite way of saying that this areas wrestling stinks, but can not do so. We Have referred to it as "Fat man paradise". We have called it "The All or Nothing at All area". Lets just call it "McMahon Land" and let it go. That is bad enuff.

Our thanks to the people who have helped us collect the above results. Notably Earl Elder, Robert Weckesser, Mark Lipsitz, Lee Lundberg and James Cloudy. We luvs ya all and every.

Three new faces in McMahon Land. Spirds Arion, the Golden Greek. The Ox, the Laff Rioter; Ayman Hussian, the Lebanese (?) Star; and Gorilla Monsoon the Manshurian Ruffneck. That's four, stupid. And what I think of one or two of them is a well known fact that I will not go into again. Chalk it up as some of the stupid things that go on around here. Oh, forgot Crzy Luke Graham. Thank goodness. Oh well. And now it is five new faces. Many more than I had thot originally. Most of them are good, exciting stars but they deserve far better than they are getting around here. Back to the drawing boards, mon.

****

There is a rumor going around; I have no idea how much basis of fact there is to it, but here it is for all that it is worth; if anything. Ricki Starr, one of the most popular wrestlers in the history of East Coast wrestling, is coming back to the States. Around the end of April or first of May from what I have heard. He has been working with a group to promote matches using many of the top stars of England and Europe. If the above rumor is true, this will mark a high point in the history of United States wrestling. The chance of seeing many of those stars is an aim and goal that I and many others have been working on for years. The move is already started as men like Earl Maynard, Fracis St. Clair and Tony Orford have made their debuts and have been well received by the various fans in the areas involved.

Think of it: Jackie Pallo, the man who is more responsible for the success of TV wrestling in England than any other person; the Middleweight king, Bert Royal; baddies Peter Rann and Mick McManus; all top stars and men who hold numerous records for drawing power thruout the world of wrestling. I can Hardly wait to find out if there is any truth to the rumors involved.

****

As long as I am citing rumors, I may as well tell about the other one that I have heard; Buddy Rogers may be making a come-back. From what I have heard, he has been working out regularly and looks great. Also has worked in Montreal, at least so I have heard. If he does come back, it will be one of the greatest things to hit the wrestling scene in years. Rogers versus Sammartino? Rogers versus Thesz; Rogers versus Kinisiki? Rogers versus Vachon? Wild, man, wild.

Our thanks to Linda Scott of the Eddie Swan fan club for her assistance in gathering the above results. She is a doll and we are lost without her. Keep on rolling, doll.

The promoters and wrestlers of that area take a three or four week holiday over Christmas. This accounts for the drop of time in results. Also the whole hearted switch of wrestlers. Also for the tourneys taking place in the various cities. It is the easiest way for the fans to get to know the various new wrestlers. And to get to love the Beast all the quicker.

The various wrestlers usually appear in Hawaii on their way to and from Japan and Australia. Thus it is that they have such a wild turn-over of top flight talent The promoter, Ed Francis, has much to do with this as he continually gives his fans good, atractive cards. Our congrats to him, and to our main correspondent there, George T. Doppu, for keeping us up to date on it all. Much gross all.

Earlier in this bulletin, we mentioned two new men to the California area. They are Kantaro Hoshino and Kotetsu Yamamoto. They wrestled as a team one time, winning their match. Hoshino has since stayed there, while Yamamoto left for Texas, where he is still wrestling at last report. These two men are two of the younger men of the Japan Pro Wrestling group, the JPWE. While the men do not have too much experience, they should do very well in American rings. As stated earlier in these bulletins, the younger men, who usually wrestle just their own men, are paid on basis of how often they win; the more they win, the more they get paid. Hoshino and Yamamoto happen to be two of the best in this younger group. Their records in the States speak for themselves. By the way, we will have a short article on Yamamoto in the April issue of MATMANIA. I even mis-spelled that.

Eddie Morro is the same guy who wrestled in New Zealand as Jack Claybourne Jr. Currently in, or was, in Hawaii. Eddie is trained by Jacob Grebbe alias Hans Mortier alias Tarzan Zorro alias Great Zorro, his tag partner in Japan and his foe in New Zealand. Before coming to Japan, the group, along with Steve Rickard, toured the islands of Pacific, wrestling in Samoa and other such places. Eddie, a negro star, originally hails from New Orleans. Lives now in Paris, France. From pictures I have seen, he is about as good looking a guy as is now in wrestling. His body makes mine look like an old sack of potatoes.

Our thanks to Youshihisa again for all of his assistance in covering the results from Japan and Korea. We would be lost without him. Yoshihisa, youse is a goodie.

The following article originally appeared in a Philadelphia newspaper. I do not know the date. Author is Jack Fried.

JIMMY LONDOS STILL A STRONGARM

LOOKS DELIE YEARS (70?) OF OLD TIME MAT CHAMP

Jimmy Londos' years have not been unkind to him, as anyone who knew him in the old days could see when the Golden Greek of wrestling's golden era in Philadelphia--35 to 40 years ago--came to town early this week to visit his old friend and promoter, Roy Fabiani.

But Londos, who must be crowding 70, if he hasn't already passed that milestone, swears you off when you try to talk to him about his age.

"What difference does that make?" he demanded, "You're only as old as you feel, and I feel great.

Long ago retired to the citrus and avocado ranch at Escondido, Cal., Jimmy is indubitably a man in marvelous physical condition, with such strength that his more touch tipped a heavyweight man off his balance.

"I haven't seen a wrestling match in many years," he said, "so I don't know what's doing in the sport nowadays. I have some wonderful memories of the old days."

THAT COLD, COLD NIGHT

Such as that cold, cold night in February, 1934, when he grappled Everette Marshall for more than three hours and finally won the first and only fall after 2 A.M.

Convention Hall was packed with 15,000 spectators that night. Many cars parked outside were frozen by the 11 below zero temperature. For years afterward, people who weren't anywhere near the place were boasting of having been present. By their account, there could have been 150,000 in the hall.

Dr. Harry Fields, assistant to the president of the University of Pennsylvania in charge of athletic affairs, is one with an authentic recollection of the event.

That, however, was not what they talked about when Dr. Fields met Londos in the Locust Club for lunch yesterday. They exchanged news of their families and views on physical training as a preparation for life.

Dr. Fields was an old protege and opponent of Londos. An intercollegiate champion while at Haverford College, the doctor paid for his medical education at Penn by wrestling as a pro for Fabini.

EXERCISE, GYM WORKOUTS

Londos detoured to this city on his way home form a visit to his 64-year-old brother in Athens. At Escondido, he raises his crops, exercises at home for 15 minutes every morning and works out twice weekly in a gymnasium. The ranch is profitable, he says, though the fortune he accumulated from wrestling purses can keep him in luxury the rest of his days.

He spoke proudly of his three daughters--Dioni, 21, who is a student at Occidental College; Demitra, 18, at Whittier College, and Christina, 13, at high school.

BIG THRILL IN ATHENS

"My biggest thrill, though, was when I wrestled in Athens when i was still the champion in 1933)," he said. "My father, who was 84 years old then, came from Argos to see the match. When it was over, the royal guard who were at the ringside lifted him on their shoulders and marched him around the stadium. Nothing else in my life ever gave me so much pleasure."

Today, the stocky bronzed figure is still lithe, though his hair and face are a bit thinner. His weight is 190, compared with a range of 197-200 during his competitive life.

In those days, he toured the country with one suitcase for his clothes and another for his books-- history, economics, sociology and the like.

When he wasn't "working" or being slammed for hours by masseurs, Jimmy sat up and reading those books.

His Greek heritage, he said, taught him to improve the body first and the mind next.

And he still sticks to that order.

****

Our thanks to Mister Fried for his interesting account of one of the world's all time greats. Londos was a great one; possibly the best of all time. As soon as possible, hopefully within a month or two, we will be doing the life record of Jeeny for the old results club members. Then we can all see, thru the records, how great he really was and is. Once again, our thanks.

****

Never let it be said that I ommited a chance to mention old results and our drastic need for them. Okay, so I mentioned it. While I am thinking of it, one of our members, Phil Elonidis, is trying to assemble a record of all the matches involving the girls. Both past and present. He has good records on them from 1963 this side, but needs help previous to that. If you can help him, please drop him a line. His address is 245 Rumsey Rd. Yonkers, N.Y. 10701. Many grasses.

Some more pen pals while space allows.

1. Jimmy Maugeri of 166-75 22nd Ave. Flushing, N.Y. 11357 would like a pen pal who likes Reggie Lisowski, Dick Afflis or Killer Kowalski. He is 18 and would prefer someone around the same age.
2. Jerry Davidson would like to have pen pals who like Ivan Kalnikoff and Igor Vodik. He is the prexie of their fan club. But Jerry neglected to include his address in his last letter, so I will not be able to include it in this. I've mentioned this both in MATMANIA and in my column in Wrestling Revue, and it still does not do too much good. PLEEZE.

3. Mike Medugno of the Bruno Sammartino fan club is prezie of a fan club convention for the East Coast. Interested parties contact Mike at P.O. Box 177 Glen Cove, N.Y. 11542. If at all possible, I will be attending. Will be on April 23rd in Glen Cove.

Do you know why a steam fitter working on the 34th floor of a building is like a wrestling referee? I don't either, so if you figure it out, let me know.

Both the northern and southern half of the California have many top, 'new names' that arrived this past period. Los angeles, with Karl Kox, Stan Pulaski, Don Chuy, Joe Carollo, Paul Vachon, Ramon Ortega, Hoshino, plus returns of Luis Hernandez and Clyde Stoeves, seem to have the best of it. They have always done well on getting the top talents, and getting the most out of the talent avalable. It is a sure bet week after week that Olympic Auditorium will sell out, and this is due to top talent, good match-making, and a continual parade of new faces. Our hats off to Jules and his staff.

The San Francisco area, meanwhile, has gotten Skull Murphy, Jerry Miller, Tom Andrews plus the return of Stevens and Negro from Australia. This area does not do as well as the southern half, but still they continue merrily on their scairy little ways, undaunted.

Our thanks to all the people who helped us collect these results. Notably Joff Walton of the Freddie Blassie fan club, Earl Elder, Joe Potty, Rae Frye, and Opal Mae Ronspoiz of the Danny Hodge club. We luvs ya all.

Aside from the fact that all of the Japnese results are out of order, I think I have them all. They have had some excellent wrestling there, and will be having a great deal more in the future. With such stars as Baba, Inoki, Yoshimura, Ill Kimm and Hiro Matsuda, plus the visiting Americans, they have as excellent a group as is to be found anywhere in the world. Thoys goodies.

This is the first promotion of the new IWE, which stands for the International Wrestling Enterprises. The leaders of the group are Hiro Matsuda, Mister Suzuki, and two young wrestlers presently in Florida area, Masatake Kusatsu and Tsunekaru. Sugiyama. Kusatsu is better known here (there) as Taki Yamaguchi, presently tagging with Duke Keomuka. The IWE prmoted this matches in conectioj with the TPWE, which is headed by Kanji Inoki. Originally the TPWE included Toyonobori, but he was ousted by Inoki due to his "dipping into the till".

As always, we would like to thank Yoshihisa Fukuzumi for his help in collecting these results, as well as all others from Japan. They have some fabulous wrestling there, and our records and coverage would be vastly incomplete without his help and assistance. Now and always, Yoshiisa, youse is a goodie.

To the best of my knowledge, this was the first time the the holder of the NWA junior- heavyweight title defended it in Japan. I know that Thesz defended his title there, but this is a first I think.

Let no rest for a moment. New faces: The Carolinas has the Scott Bros as a recurring twosome. Also Mike Paideusis on a return. Florida has the new Japanese boy, Yamaguchi; also Bill Parks and Harry Smith. If the Fields Bros and Ken Lucas sticks around, so much the better. The Nashville circuit lost the Blue Infernos just about the time I thot I figured out who they were. They gained the Sky Bros, Don Kent and Jim Osborne and Battleship Johnson. And the Atlanta area: WOW. Stan Kowalski, Jack Daniels, Nick Kozak, Oki Shikina, and for a while, Al Torres. They have always had some of the best, and they still do now. Tis easy to see why they have sell-outs ninety percent of the time ther .

Our thanks to Judith Hastings, Linda Pounders, Katherine Conlan, William Clendinning, James Lee and all the hundreds of otherswho help us collect these results. I really mean that we would be lost wihtout you. Uncle Burt loves you all. Even if you do make my fingers feel like they are going to fall off right now. And we missed litorlly tons of results from this area during the period covered. If we had them all, it would fill this entire bulletin.

I'm pooped.

Is always difficult to try to fill up these partial pages and do it with something that will interest the readers. Lets dig for a minute. The follwing are excerpts from a page written by George Simpson, the promoter in Kansas City.
EARL MAYNARD: This young man has everything going for him. He is acclaimed by experts to be the best built man in the world. He has muscles to burn and knows how to get the most out of it. Already he is wanted by wrestling promoters all over the U.S. With his size, strenght, and ability to move there is no doubt that he will be one of the top contenders for the world's title this year.

More later from Mister George Simpson.

When Apache War Cloud appeared in England, by coincidence, two of our major Indian wrestlers disappeared: Chief Big Heart and Cheif Crazy Horse. Crazy Horse is the same as Suni War Cloud of Buffalo fame, so he is my main choice to being the Apache one. Crazy Horse re-appeared in Florida in early January of this year, so as soon as I get my English results up to date, we will be able to better tell who he is. In short, later, kiddies, later.

Special mention must be made to Rip Miller and to Clyde Steeves. Rip's "Whozee" is 7 and a half inches long. Clyde's is only six inches, but still formidable.

****

This is as good a place to start it as any place. This will be entitled "What in the H***has been happening the last four months."

There have been many top flight wrestlers traveling around than at any time in recent history. This includes Bruno Sammartino traveling to Australia and later to Japan; Fritz Von Eric also going to Japn both to challenge Shohoi Baba. Also Stan Stasiak and Johnny Valentino to Japan to challenge Kanji Inoki. Also in Japan were men such as Hiro Matsuda, Danny Hodge, Eddie Graham, Luke Brown and Tiny Smith (The Kentuckians), Steve Stanlee, Buddy Austin, Luis Hernandez, Abe Jacobs, Clyde Steeves and virtually every top name in the business. Japan, with two promotional groups running in coppetition, have been getting all of the top names in the world of wrestling and this will be continuing. They have rapidly become the major area for wrestling in the world.

Australia has continued to draw the stars as Nick Bockwinkle, the Beast, Pierre LaBelle, Frank Shields, Emil Dupre, Hercules Cortez, Great Malenko, Bob Nandor, Dory Funk Jr, and Billy White Wolf have moved into the area. This group, along with their local stars like Roy Heffernan, Eddie Swan and Larry O'Dea give the area one of the most formidable list of stars in the world today.

Englad has also gotten some of our top stars as Curtis Laukea, Nikita Mulkovitch and Suni War Cloud have moved from this area to the British Isles. Also, for a change, we have gotten some of their top men as Tony Orford, Roy St. Clair and Earl Maynard have arrived here. Roy, by the way, is the son of the famous Francis, Ray St Clair. Try that again. Francis St. Clair Gregory. Gregory was one of the top stars of English wrestling for over twenty years and he taught his son well, as Omaha fans are learning.

There have been several promotional changes lately. The first was in Texas as Paul Boesch is the new man in charge of the area. This was caused by the death of Mirris Siegel, long time promoter in Houston. He died on 29 (27) December of heart failure. He was 69 years old at the time. He had just celebrated his fitieth year of promoting in Houston. The second, on which I can find no info, is in Mobile where long time promoter Bobby Fields, had dropped out. Why, when and to whom, I do not know. Later on this.

The past months has seen the emergence of star status of Spiros Arion in the East Coast as he arrived here from Australia. With partner Antonio Pugliese, he won the local tag team crown from Scicluna and Sloan. Also reaching star status is Gorgeous George Jr. After storming through the South-west, he came into the Ozarks and literally won over the hearts of the fans there. A long, bright future is accorded the man with the heart fluttering build.

Two of Japan's young men arrived in California and Texas during the past period. Quickly winning a rather special place in the hearts and minds of the fans, they

are litorlaly tearing up their respective areas. Nishino, a hero in California, and Yamanoto in Texas.

One of the most famous tag teams in the history of the world was re-united recentlly as John and Chris Tolos are back together after a three or four year separation They quickly won the tag title from Dutch Savage and Don Jardine up in the North-West. One of the greatest everm they still have everything it takes to be a most formidable team. And to make the fans LUV them.

John Paul Henning, one of the most popular men in the history of St. Louis wrestling came out of retirment. He had been on the injured list and after an absence of over a year, returned to the delight and happiness of his many fans.

Also returning to the mat wars are two of the most popular of the Los Angeles L Lambs football team: Joe Carollo and Don Chuy. Good wrestlers both, they are a wild tag teams combo as well as top flight men.

Actually, we have not missed very much the last three or four months. Less than one page for something that I thot would take three or four pages. Oh well, back to the drawing bord, kiddies. When in doubt, meander.

That promoter in Mobile is Rocky McGuire and he took over from Don Fields on or about the first of the year. His first acts as promoter was to bring in Don and Rip Carson, who have rapidly become the two most "beloved" men in the area. Other new arrivals were Mario Galento and Les Thatcher. Also Rocky Montero, a dear favourite, and Roger Kirby. I know little of McGuire, but with the men he has been bringing is, the above plus visists from Eddie Graham and Sam Steamboat, he can not but help the area prosper even more than in times past. As our informant said "Yeah Rocky". Our thanks to Joan Anderson, prexie of the Don Carson fan club.

On 2 February in Denver, Everett Marshall was inducted into the Colorado Hall of Fame. A man who had well over 2,000 bouts in his career, he was known as the Blond Bear throughout his life. He well deserves the honor bestowed upon him.

A fan asked what titles various people hold. Fritz Von Erich has held the Texas State title, losing it and then re-winning it from Joe Blanchard. Verne Gagne presently holds the AWA world's title, winning it from Maurice Vachon some time in the last few weeks; no date as of yet. Bill Miller holds no title at the resent, but has held the AWA crown, various tag honors, as well as the United States title. Buddy Austin is past holder of the WWA title as is Pedro Morales. The present title-holder is Mark Lewin, who won it from Lou Thesz. Jerry Grahame holds no title now, but is past U.S. singles as well as tag champion. Johnny De Fazio is the WWWF Junierheavyweight champ (chump). Okay John?

Gary Morrow of 4000 Mt. Terrace. Memphis, Tenn 38127 would like to join a fan club for Jackie Fargo. If you know of an active one, please drop him a line. Gary is one of our newest members, and I'd like to welcome him officially to the Funny Farm. Also wants to know about a club for Gene Kiniski

Anyone interested in me leaving the rest of the page blank? This is rediculous. Lets face it, tho; it is four thirty in the morning an I have been up for better than an hour typing. I defy anyone to think any clearer than I am right now at this un-Earthly time of the day. We can always talk about marbles as in "Lost my...." Sputnik and Rocket Monroe are now being managed by Saul Weingeroff. It should be wild, with three man tag teams of the above. The Sweet Man, better known as Sputnik Monroe, is one of the best of all time down Atlanta way. The sun will be coming up in a few minutes; maybe I'll be able to think clearer then. Lets talk about old results for a moment. That used upa part of a line.

I hope to heck I never have to go thru that again.

In each issue of MATMANIA, we offer various awards of excellence to the men and women of the wrestling world. The first of these is to the fan club worker who we feel has done the best job to further the career of their honorary and favourite. For a delightful change, we have three people who justly deserves the award this month. They are Joan Anderson of the Don Carson fan club; Jean McEwan of the Roy Heffernan fan club; and Joann Darnell of the Guillitine Gordon fan club. Each of these delightful ladies are recent arrivals to the wrestling fan club scene and their arrivals mark a high mark in fan club activity. Theys all goodies.

The second award each month is to the promoter who we fel has done the best job of d ing his job; namely promoting. It is difficult to give this award as there are not too many people who truly deserve the award. The ones deserving of it are few and far between and we continually give the award to the same group month in and month out. This time, as always, we feel the the Nothwest men deserve the award more than anyone else. This includes Harry Elliott in Seattle, Rod Fenton in Vancouver and Dean Sivlerstone in Port Angeles. They, too, are all goodies.

The third award each month is to the wrestler who has done the most traveling during the proceeding period. In this case, the previous three months. Like, wow, we've got work to do. We usually try to list all the men who have done any serious traveling, and as always, will ATTEMPT to do it now. Systematically, now, boys. To and from England: Curtis Iaukea left England and went to the Hawaiian Islands, where he won the title from Johnny Barend. Nikita Mulkovitch left the Ozarks and went to England; Pat Barrett left the Northwest and went to England; Tony Orford went there from England; Earl Maynard left France and other parts of Europe for the Mis-West; Roy St. Clair left England for the Omaha areas; Bruno Elrignton left England and went to South Africa. To the best of my knowledge, this is the only ones going to and from there, other than the men covering parts of Europe in conjunction with the English promotions. Left out Apache War Cloud; depending on whether he is Chief Big Heart of Crazy Horse, he left either California or Florida. Now Australia; at least two people went to and from there; Bruno Sammartino and Ray Stevens. From there include: Skull Murphy going to California; the Scott Brothers, going to the Carolinas; Guy Mitchell alias the Destoryer, going to the Indiana areas; Jim Bernard going to east oops west Texas; Apollo, going to the East Coast, and then disappearing; Dan Miller, also to west Texas; Jim Hady, going to Hawaii; Steve Bolus, going to the Carolinas; Spiros Arion, going to the East Coast; Art Nelison, also to West Texas; John Da Silva, arriving from New Zealand; Ditto Kangaroo Kennedy; Men who went TO there are Harculos Cortez, but where from(?); The Beast, from the Saskatoon and Calgary areas; Emil Dupre from ditto; Rudy LaBello from ditto; Great Malenko from the Carolinas; Bob Nandor from the Detroit areas; Nick Bockwinkle from Hawaii; Dory Funk Jr from west Texas; Frank Shields from California; Billy White Wolf, also from Hawaif. To or from New Zealand inlcude the above named John Dal Silva and Kangaroo Kennedy going to Autralia, and Great Zorra and Eddie Morro going to Japan, and then to Korea and later Hawaii.

To and from Japn. Buddy Austin to and from California. Clyde Steeves from Atlanta to Texas, to Japan, to the Northwest and then to California; Abe Jacobs to and from the Carolinas; Luis Hernandez to and from Calofornia; Danny Hodge to and from the Ozarks; Eddie Graham to and from Flroida; the Kentuckians from Omaha to the Ozakrs; Hiro Matsuada from Japan; Valentine two trips to Japan, leaving the East Coast, coming back to the Toronto and St. Louis areas, back to Japan, and then back to the aboyc areas; Bob Boyer left west Texas, went to Japan, went to Korea, came back and hit East Coast, the Minneapolis areas, west Texas, Hawaii, and you name it. To and from the Northwest. Ray Stevns and Pat Patterson both it the California scene and then the Northwest; both also hit Hawaii; Chris Tolos left the Ozarks to the Nothwest; Jack Bence left the Atlanta area to the Northwest; Kinji Shibuya hit both California and the Northwest, and then went to Texas; Don DeMucci left the Northwest going to California and ditto for Jerry Miller; Sandy Barr left the Calgary area coming to the Northwest; ditto Jungle Jim Starr; Both Red McNulty and Paul De Galles left the Northwest and went to Calgary area. Peepper Martin left west Texas and went to the Northwest. Two Japanese men arrived in California from Japan (where else would Japanese men come from) and went to California; they are Hoshino and Yamamoto; Yamamoto left there for Texas. Both Makr Lewin and Bob Brazil, ditto Karl Kox, traveled extensilevlly between Detroit and southern California. Brazil also hit the East Coast (daintily). Stan Pulaski left the Omaha area and went to California. Don Chuy and Joe Carollo left there and just arrived in the Caorlinas. Tom Andrews left the Calgary scene going to northern Calif; Thunderball Peters left there and went to the Northwest. Ed Carpentier also hit Detroit, California as well as tle Montreal area. Great Dane left the Minneapolis Omaha area and went to California. I think that is all for those areas.

Western Canada, namely the Calgary/Saskatoon area got Luther Lindsey from the Caolrinas and the Christy Brothers PROBABLY from Montreal. Ditto Johnny Foti from there. Missed Rocky Honson leaving the Toronto area, and going to the Northwest. How foolish of me. Mario Milano left the Nashville area and went to Texas. Silento Rodriguez left Florida, hit west Texas and Denver; Don Kent and Jom Osborne left the Carolinas and want to Nashville. Al Perez hit both west Texas and Nashville. Bill and Jim Sky left the Mobile area, hit Nashvilee and Bill also hit St. Louis. Tarzan Baxter went to the Ozarks from the Mobile area, and Sandor Akbar hit the Ozarks from Texas. Regi Siki hit both the St Louis areas and Toronte. Gullitine Gordon under various alias hit the Carolinas, Atlanta and then went to St. Joseph. Vic Fivera left California and went to the St. Joe area. Jerry London left the west Texas circuit and went to the Ozarks. The Bear and the Plum came out of somewhere and came to the St. Joe area, and I wish they would go back. Bobby Orton left the Ozarks and went to the Omaha and St. Joe scenes Bobby Shane left the Carolinas, hit Atlanta and then to the Omaha scene. Battleship Johnson left the Ozarks scene and went to Nashville. How much have I missed so far? Luke Graham from St. Joe to the East Coast; Bob Morgan from Atlanta to the E.C. Bobby Hart left the St. Joe area, going to Atlanta; The Mongul left Calif and went to Atlanta; Greg Peterson left Florida and went to Atlanta; Stan Kowalski left the Minneapolis area, going to Atlanta. Dick Murdock left St Joe, hit the Ozarks and then Atlanta; The Reptiles are either two different teams, or they hit both Atlanta and the Southwest. But now.... Lou Thesz hit lorida, Naschille, California and the Northest and addition to St. Joe and St Louis; He too is under consideration; Jack Daniels hitting Texas, Minneapolis, Florida and Atlanta can not be ruled out. But the winner has to be Bob Boyer. Like man, you name the area, and he shows up there: Japan, the East Coast, Minneapolis, Omaha, California, Hawaii, Korea, Texas. The MAN moved like it was going out of style. I am pooped trying to get it all down, but it was well worth it as there was more movement the past three months than in any other period that I have ever seen anywhere at any time. Men, me likes you.

Mommie, what should I do with the rest of the page?

I don't know son. Why don't you show every body how much you know about wrestling?

But Mommie, that will only fill up one or two lines. What do I do then?

Bluff it, son, bluff it.

Within the next few eweeks or months, we will be doing the life records of various people of only interest to the more serious wrestling fans. These include Yvar Martinson and Paul Berger of Germany. Also the original Regi Siki. These life histories, along with others from time to time, will be going only to the members of the Old Results fan club. The dues for this club are 1.50 a month, and the members receive all the old results that time allows us to send out.. Did I say a 1.50 a month That is supposed to be 1.50 a year. Sorry, kiddies. In addition, we will be redoing the life history of Ed Lewis for this group as soon as time allows. In short, the members of this club receive a great deal over and above the bulletins MATMANIA. Wanna join?

Some time soon, I will list the various people on whom we will be doing life histories in future issues of either MATMANIA or the Old Results club. The list includes well over 200 people. I could not begin to tell all of them at this time, but it includes most every top name of the past thrity years. Ha, ha, ha, ha. All we need is time, energy and more old results.

On 27 March in Madison Square Garden, they had our latest entree into the weird world of East Coast wrestling. 17, 349 people watched the matches in this last before the circus moved into town for six weeks. We got a jump on that bit, tho, as we were treated to the greatest display of buffonery since time immemorial. To say that the main event was a sickening affair is a rather mild statement. Gorilla monsoon, a 390 pounder, had as much speed as a turtle with a broken leg. His opponent, Bruno Sammartino, was faster by comparison, but hardly faster than that same turtle with a healed wing. Neither man looked as tho he could get out of his own tracks.

The last time I saw the Gorilla, he was a heavy, fat 325 pounds. That night, at the Garden, on the above card, he looked like a pregnant elephant, as he attempted going thru his paces. An earlier tag match featuring El Toro Ortega and Bill Miller high-lighted his poor conditioning. Monsoon, made the 370 pound Ortega look good by comparison, and the 320 pound Fat Willy looked absolutely svelte.

This slow, ponderous Monsoon, was hardly a match for Sammartino, as he huffed and puffed his way around the ring. That Sammartino took 39 plus minutes and ended with a draw speaks highly of his talent and lack thereof. If Sammartino could not beat this packyderm, he does not deserve this title or any other title. And to lose to the Monkey as he did last month, forget it. Monsoon was in the most poorly conditioning as any athlete I have ever seen; slow, weak, dull-witted, and in general about as useful as thinning shears to one of the Battles. This mad managed to last the full time with our glorious "champion" and a month previous to even beat him.

I love wrestling with a passion. If I did not, such an exhibition would have turned my stomach and made me a firm hater of this sport. Even Ray Stevens, on the card in a preliminary, looked great by comparison to these two puffing slobs. That we have degenerated to such an affair speaks poorly of us, the wrestlers, and the promoters of wrestling.

I finally figured out the reasoning behind MonsOon's ponderousness; he is trying to take the place of Haystacks Calhoun.

The entire card was: Smasher Sloan winning over Tony Nero in 5 minutes and 6 seconds. The Shriek beating Louis Cordan in 5 and 18. Professor Tanaka, who looked absolutely fabulous, beating (storming over) Ricki Sexton in 4 minutes and 4 seconds Ray Stevens swamped poor Miguel Perez in (missed time). Cupids Jamaica Kid and Cowboy Bradley beat Fuzzy Cupid and Cowboy Cassidy. There was a rumor going around that Cupid is the father of Luke Graham, altho I do not know if it is true. Antonio Pugliese beat Tank Morgan in 8 minutes and 40 seconds. Spyris Arion stormed over Bearon Scicluna and his ponnies (the cheap skate) in 9 and 20. Bobo Brazil and Arman Hussian won over Fat Willy and El Toro in straight falls, the first in 6 minutes and 17 seconds on a disqualification, and the other in 3 and 23 with Brazil pinning E TO And then our championship match !!!!!!!!!! 39 Minutes and 52 seconds of huffing and puffing betwixt Monsoon and Sammartino. Mike Colosumas, Terry Terranova and Eddie Dosh handled the refereeing jobs with their usual competancy.

This is our last match until May 15th due to the circus, and I, for one, will not miss them. Anytime that Ray Stevens is the best looking and best built wrestler on a card, it speaks porrly of the conditioning of the other "athletes".

A riddle: who is it that originally turned pro, wrestling with his father? Had a series of matches in his home area of Winnipeg, then toured west Texas making up one of the few father son, father son tag matches? Made such a poor impression on the people that he left, toured Europe, trained with George Bollas to attempt to do better, entered a tournament in Lebanon, got thrown out for not wrestling, then made a tremendous hit in Australia and in America under an alias? Give up? Don't; our riddle didn't.

There will be a fan club convention of some importance on April 23 in Glen Cove New York. Sponsored by Mike Moduguo of the Bruno Sammartino and other fan clubs, it should be interesting, as most of the top fan club workers of the Eastern seaboard will be there including all the various people who do not think that Bruno can walk on water. From 1 o'clock on, it will last about six hours. For full details, drop a line to Mike at P.O. Box 177. Glen Cove, N.Y. 11542. Phone 516, OR 1, 6709. I will be there, as will Danny Boirno of the Jerry Grahame fan club, John Hnatin of the 20th Century, and many others.

Back in October, we had a contest for getting new members. The winner was to receive my complete collection of wrestling programs; some 200 of them. I am proud and happy to announce the results of said contest. Only one person got more than one member, so the award goes to him. Therefore, my complete collection of over 200 programs goes to Uncle Burt Ray for his help and assistance. Goo, thanks Burt. And thanks to all of the other people who got one member each. I do wish that we did not have so much trouble gaining members; it does not speak highly of the fondness of our own bulletins.

I am not going to bother having another contest to gain new members. But simply will re-iterate that I can not do it alone. We will have no pictures in the bulletins due to the high cost of them until we get more members; it is as simple as that. If you want pictures and so forth, get us some members. The people listed as pen pals throughout the bulletins are, for the most part, not members. If you want to help the club, drop them a line and twist some arms.

The dues for MATMANIA are fifty cents an issue or 5.00 a year for 12 issues. If we are forced to miss an issue, as in this last three month period, the members will have their dues extended an extra month to make up for our absence. The Good Lord willing, we will not do so again.

While I am thinking of it, I received a new member who sent cash to me in the mail. I received the letter in good order, along with the "enclosures" but when I answred the letter, mine was returned due to a faulty address. Twice since I have received letters from her and twice since, mine were returned. If you have the address of Evelyn Bruno of Oklahoma City or can get it, please send it to me. Thanks.

I've mentioned this before in the bulletin and will do so again now. This club is a new one, but they look like they have everything it takes to be one of the best in the field. Their first bulletin, altho short, was as interesting as any I have ever seen anywhere and at any time. I speak of the Don Carson fan club with Joan Anderson, the proxie. Address: P.O. Box 5003. Pensacola, Flo. 32505. They's goodies.

For those who are interested in old results and the Old Results club, we will be having at least three new series out as soon as time allows. They include results from 1933 in Joliet, Ill. Results from St. Louis for the years of 1930 thru 32; plus others from Germany, California and Seattle. Again, the dues for this club are 1.50 a year. While thinking of it, I have the complete results from Japn from the year 1963. If interested in these, I can include them either in the MATMANIA bulletins proper, or just in the OR club. Please let me know on this. Thanx.

The April issue will include any and all results missed this issue, plus articles on Herbie Gerwig, Ernie Ladd, Bruno Sammartino, and others. This issue should be far more interesting than this immediate issue. The May issue will probably be a late wrap up of all that has happened of interest in the year 1966 plus the first few months of 1967. As soon as time allows, we will find out when and how soon we will be doing the various life histories and will include said info in the April ish In short, as soon as possible, I will find out what is going to happen in everything and let you kiddies know, too. OK?

I got a worm again this morning. Up with the birdies. I'm tired.

And now we come to a special feature of MATMANIA; the last page. In this time, we take an opportunity to thank all the people who have helped us make this bulletin possible. I am completely indebted now as always to Diane Devine for her assitance on results both in the Ozarks and in the Kansas and Iowa areas. We would be completely lost with out her. Also to Opal M,e Roncpiez of the D ,ny Hodge fan club; Mike Medugno of the Sammy fan club; Mike Mooneyham of Charleston; I am quite sure that the list is tons longer than that, but a general thank you will have to do for now.

I would also like to hank the various people for the patience given me during the past period and hope that neither I nor our members, have to go thru it again. My complete apologies to each of you.

An additonal thanx goes to Danny Boirne, Dalton McElroy and Richard DeThune for thier local assistence in giving me a hand in some of the more basic work required to put this bulletin together.

A further thanx to Charles Hapke for his help in getting the story on Jim Londos and Everett Marshall. A newspaper searcher of the old school, he finds more info of this nature than all the other members put together. My grasses to you, Charlie.

And the last thanks, and the most important, goes to the men and women who are the wrestlers, promoters and referees of our beloved wrestling; without them, we would all have a much more boiring and dull life. Our thanks to the Men and Women of the Black and Blue.

This, then, completes the March issue of MATMANIA. We hope that you have liked and enjoyed our work and will forgive me for putting out such and uninteresting bulletin. I will do better. Thank you.
